Health and Sanitation Rules and Regulations Training

This free e-learning course is designed to provide an in depth review of the *Rules & Regulations Governing Health and Sanitation of Child Care Facilities in the State of Colorado*. The course is intended for child care providers, child care health consultants, licensing specialists, and any other parties with an interest in learning about the health and sanitization requirements for child care facilities. This course should take approximately 3 hours but your progress will be saved if you have to exit before completing. A certificate will be issued upon completion.

To register for the course go to https://www.co.train.org
