Agriculture in Disaster

Fremont County Commissioners and Emergency Management would like to invite you to an Ag in Disaster preparedness event. Speakers will cover issues related to agriculture involved in disasters to include: livestock evacuation challenges during a wildfire, land access and temporary re-entry discussions as well as widespread disease, blizzard and drought issues. We will also briefly address incident command basics and Incident Management Team operations to better understand the response side.

PRESENTERS:
NICK STRIEGEL, DVM,
CO DEPT. OF
AGRICULTURE

CHRISTE COLEMAN
CO DHSEM – FIELD
MANAGER

TIM CANTERBURY
PAST PRESIDENT OF CO
CATTLEMEN'S
ASSOCIATION,
RANCHER
