Please read the entire application form prior to completion of this application

A temporary tower which is to be constructed within Fremont County (*non-incorporated areas*) shall be required to be issued a Temporary Use Permit (TUP) in accordance with the Fremont County Zoning Resolution (FCZR) which can be viewed on the Internet at:

<http://www.fremontco.com/planningandzoning/zoningresolution.pdf>

An application fee as adopted by resolution of the Fremont County Board of County Commissioners (Board) shall accompany this application.

The applicant shall provide two (2) copies and one (1) original document of the application and all of its attachments to the Fremont County Department of Planning and Zoning (Department). After submittal, the Department will review the application and all attachments and prepare a Department Submittal Deficiency and Comment Letter (D & C Letter) within twenty (20) working days after a complete application (*all information required in the application is provided at the time of filing*). The D & C letter will state the submittal deficiencies, Department comments and or questions about the application, which must be addressed by the applicant.

The Department shall be entitled to refuse any application for a TUP which is not made on the form provided by the Department or which is incomplete.

Once the Department has determined that the application is complete, the Department will either issue the TUP administratively, if it meets the requirements for the administrative issuance, or will schedule the item on an agenda of the Board for their consideration of approval. Prior to issuance of a TUP the application shall be approved by the Department or the Board and all contingencies or requirements shall be met or provided. The Board does have the right to request review and recommendations from the Fremont County Planning Commission (Commission) and/or other pertinent entities, if the Board determines that it is necessary for its review. The Board may require professional review at the applicant's expense if deemed necessary by the Board.

The Board may require the applicant to provide various professional studies and/or statements concerning the event in order to fully understand the impact of the proposed event. This could result in a longer review process and require more time to complete. Construction and or placement of a temporary tower could require the issuance of a building permit by the Fremont County Building Department.

Attachments can be made to this application to provide expanded narrative for any application item including supportive documentation or evidence for provided application item answers. Please indicate at the application item that there is an attachment and label it as an exhibit with the application item number, a period and the number of the attachment for that item (*i.e. the first attached document providing evidence in support of the answer given at application item number 12 would be marked - Exhibit TUP-12.1*).

5. Provide a detailed statement describing the proposed use of the temporary tower, number of towers, type of tower, height, lighting, type of supports, general design and any other information that is pertinent. Describe the operation as to what it will be at its start and at full capacity, the general types and numbers of equipment, the number of employees, and the number of employee shifts, proposed structures, and all other pertinent operational information. The more information provided, the easier it will be for the Department, Commission, Board and Public to understand and review the request.
